

The Annual tree Trimming will be done during weekends in August. Trimming will include Satin Leaf trees along Units #1-50 and Jacaranda trees along units #117-134 will be cut back. Please avoid the vicinity that the contractor will be working. Please move all vehicles, especially those parked in driveways, far away from tree cutting activities to avoid flying sawdust due to strong winds and falling debris. **Be advised, take appropriate action to avoid any preventable risk of property damage or injuries due to the proximity of tree trimming activities.**
