NOTICE: IRON FENCE PROJECT ASSESSMENT TEAM ON PROPERTY

Aloha Owners,

Please be advised that representatives from Eko Painting will be on-site tomorrow, Wednesday, July 24, 2025 at 10:00 AM, to conduct a preliminary assessment along the Pearl City perimeter portions of the property. This assessment is part of the preparations for the upcoming iron fence replacement project.

Additional notices will be mailed prior to the start of work to owners whose lots are directly impacted by the project. We will do our best to provide timely updates and notifications; however, please understand that there may be occasions when advanced notice is not possible due to project logistics.

All workers will be in Eko Painting/company logo T-shirts. Should they be near your yard, you may respectfully address them with any concerns. For further questions, please feel free to contact Kanani directly at (808) 539-9501.

This preconstruction visit is solely to allow the contractor to evaluate the terrain and surroundings so they can properly plan equipment mobilization and workforce deployment once the project begins.

Mahalo for your understanding and cooperation.

Sincerely,

Kanani Kaopua, PCAM®

Senior Vice President
