

IMPORTANT NOTICE

SIDEWALK REPAIR & ENTRANCE CLOSURE

Aloha Crest at Wailuna Owners,

We want to provide everyone with advance notice of upcoming sidewalk repair work that will temporarily impact the **first entrance** into Crest at Wailuna, serving **Lots 1 through 105**.

The City & County is scheduled to complete concrete sidewalk repairs beginning **Thursday, November 12**, weather permitting.

To allow the new concrete to properly cure, this entrance will need to be closed to vehicle traffic for **approximately 10 days**. The entrance may reopen by **Monday, November 23**, weather permitting and provided the concrete has sufficiently cured.

Work Begins
Thursday,
November 12
(weather permitting)

Anticipated Reopening
Monday,
November 23
(weather permitting and
assuming the concrete
has properly cured)

DURING THE CLOSURE:

The **first entrance** serving **Lots 1 through 105** will be closed to vehicle traffic.
(Lots 1 – 105 no access).

The **second entrance** above **Kahumanu** will remain open and should be used to enter and exit the community.

There will be no interruption to trash pick up.
Trash pick up will carry on as usual.

We understand that temporarily closing an entrance is an inconvenience, and we truly appreciate everyone's patience and cooperation while this necessary work is completed.

If you have any questions, please contact:
